

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

CORRECTION.

In volume XXXVIII of this journal, page 77, table II, then publishing the eight intermarrying sections of the Warramonga tribe at Tennant's Creek, Northern Territory, I regret that some errors crept in during my rearrangement of the section names from one of my previous tables. Since then I have published several correct tables, but it is only necessary to refer the reader to one of them, given in *The American Antiquarian*, Vol. XXVIII, pp. 87 seq., table IV, which supplies full details of the intermarrying laws in force among the Warramonga natives.

R. H. MATHEWS.

OCTOBER, 5, 1907.
